Do. on Madder and Cloves.	52,975
Total Increase in the extent of Land under Crops.	119,392

Total Increase in the extent of Land under Crops. 119,392

The Returns from which the foregoing Table was compiled have been collected, as in former years, by the efficient aid of the Constabulary and Metropolitan Police. Tables for 1855, classified by holdings, for each Barony and County, are now in course of preparation.

The Returns for 1855 have not yet been received from portions of the following Constabulary Districts, viz.—Kilmorey, Fingee, Killybeg, and Colonsay. As to them, the extent of land under each description of crop for this year has been estimated from the Returns of 1854, taking into the calculation the changes in the crops which are found to have occurred in the other districts of the Counties of Kerry, Kilkenny, and Wicklow.

WILLIAM DOWDALL,
Registrar-General.
